

Guidelines for Submitting the Doctoral Thesis (Dr. med. vet.)

These Guidelines are an official annex to the valid Regulation on Obtaining the Degree of Doctor of Veterinary Medicine (Doctor medicinae veterinariae) at the Vetsuisse Faculty of the Universities of Bern and Zurich. It is updated and authorized by the Deans of Bern and Zurich.

Version dated October 1st, 2021

by the Dean's Office Vetsuisse-Faculty University of Zurich

First name, family name, original title of the thesis

Checklist (will be checked by dean's office)

The following documents are required to be presented at the Dean's Office of the Vetsuisse-Faculty UZH. Incomplete documents may be rejected.

- Correctly completed application form
- Confirmation of the supervisor of the presentation (defense) of the thesis
- Copy of diploma that qualifies to work as a veterinarian (when indicated the Global Location Number (GLN) of the register of medical professions)
- Proof of matriculation during the entire thesis period
- Confirmation for a publication: Confirmation of receipt of the manuscript and initiation of the reviewing process, or „accepted for publication“ by the professional periodical
- Signed expert opinion of the supervisor
- Signed expert opinion of the co-supervisor
(only for a submitted monograph or submitted publication manuscript)
- If the text of the thesis is submitted in the format of an article that has already been accepted for publication in a peer-reviewed professional journal, or has already been printed, a second expert opinion (co-supervisor) is not required.
- Receipt of payment of the fee for the doctoral degree
- Thesis printed and hole-punched or electronically as PDF
- Title page
- Abstract in English and summary in German (each copy with the signature and without the signature of the doctoral thesis supervisor)
- Word versions of abstract (English) and summary (German)
max. 1'500 characters including spaces (to count the characters)
- CV (one copy dated and signed, one copy without date and without signature)
- Modules attended in connection with the doctorate may be submitted on a separate sheet (title, semester, institution, grades and ETCS Credits). They may be listed in the Academic Record. Modules reported thereafter will not be listed.
